### *This Month's Message from our President*

South Bay Rod and Gun Club Annual Dinner is scheduled for March 18, 2023 at the Scottish Rite Center in Mission Valley. During the dinner, there will be door prizes, raffles for firearms and a special recognition to the volunteers who run the club. The dinner is a reservation system which is be available on the newsletter tab of our website.

I want to thank all the Range Officers and members for keeping the club safe and enforcing and following the SOP. The rumor mill has SBRGC listed as the place to shoot and as the safest range in the County.

It's that time of the year where Range Safety Officers and work party participants need to re-read and sign the OSHA training book located in the RSO Building on Range 6. The OSHA lessons are also available in the Range Safety Officer section on the web page. Safety items for the RSO's are lessons 1-5 and the work party participants must complete lessons 1-12.

When a range is scheduled by an outside activity, they have exclusive use of that range. **However, in the event that the outside activity is late or leaves early, members can use the range before/after the outside activity.** Keep in mind that while the outside activity is on the range, usage by members is prohibited.

The next general membership meeting & Table Top sales is scheduled for April 2023, look for details in our next newsletter.

*Don Gussler, President*

However, they will have their names, again, on the plaque of individual firings of a “Clean”. Congratulations to both!!

Katalina Shottlemeyer earned the NRA Master Classification for her scores at recent Long Range Matches. Good going and congratulations Katalina! Gary Thrapp came out for his second Match and fired his new .223 cal. F-TR rifle to come in 2<sup>nd</sup> F-TR. Congratulations Gary!

John Zucconi fired his M-1A Service Rifle (a real Man’s Gun) with iron sights, proving he is a real Iron Man. So few of them remaining.

*SBR&GC LIFE MEMBER  
since 1978*

From the Women of the NRA®

**2022 OVERVIEW**

2022 brought Women On Target back to life! We were finally up and running full speed since before the COVID shutdowns. Here are the highlights and most notable mentions:

- ◆ We held 5 CLINICS and successfully trained 108 new women shooters
- ◆ The Club was able to bring in \$5,280 through the clinics
- ◆ We recruited 11 New Volunteer Mentors, including 3 Women

**SPECIAL RECOGNITIONS**

I would especially like to recognize two people who are invaluable to the success of our W.O.T. efforts in 2022. There are a lot of moving parts to running these clinics and I owe so much gratitude to the following:

**JEFF MAYNARD**

Thank you Jeff, for always having the W.O.T. range mostly set up ahead of time. Without you, there would be so much more work to do the morning of our clinics. Your efficiency and extra efforts the night before is ALWAYS appreciated!

**BAILEY HOM**

Thank you Bailey, for helping to fill open Mentor spots, sometimes last minute, and for continually passing along the exciting opportunity to volunteer as a Mentor to a new group of RSO's. Your willingness to spread the word and help recruit made all the difference this year.

**SPECIAL THANK YOU'S FOR THE MENTORS WHO WERE ALWAYS ON HAND:**

Dan Stukey, Mark Jones, Elena Peredo, Bailey Hom, Jeff Maynard, Ronna Maynard, Fred Willis, Paul Young, Frank Parker, Bob McConnell, Matt Matthews, Dennis Guerra, Joe Cordova, Kevin Manuel

**\*\*FINALLY\*\***

A heartfelt thank you to ALL of the wonderful Mentors who came out to help with Women On Target in 2022. Our program is successful because of you! A GREAT BIG thank you to those who always showed up early and stayed late with me, I truly appreciate you!

Thank you to all of the ladies who have come to South Bay Rod and Gun Club and who trusted us with your training. I hope to see you all again this year.
