### This Month's Message from our President

The table top event was a success at the VFW hall. Lots of items for sale and a good social event.

As I write this, I am out of town attending a formal Navy Match as the Statistical officer. The shooting sports is alive, lots of competitors shooting Conventional Pistol, High Power Rifle and we even have a steel challenge match.

South Bay Rod & Gun Club currently has over 3,000 members and it run by Volunteers. Board Members, Range Safety Officers, and Work Party participants. The club is able to maintain Board Members and is a little low on the Range Safety officers, however the work party help is down to less than 20 people each month. That means that we are unable to keep the club property looking nice for members to use. Do not be just a USER of the facility, be a MEMBER of the facility and help.

In San Diego Court Assault Weapon Law, Magazines over 10 rounds Ban, Ammunition background Checks, and Billy Club issue The judge was supposed to review this case on February 23, 2023. Outside the California area is an assault weapons laws in Washington which was just signed into law last week and is already in the courts with a challenge regarding a violation of the second amendment and Illinois has a assault weapons bill signed in Jan 2023 which was just blocked by a federal judge in the southern district as a violation of the constitution rights of citizens

Handgun Roster: Two Federal Judges ruled that the handgun roster is unconstitutional. 1<sup>st</sup> one ruled that the loaded chamber indicator, magazine disconnect and micro stamping was unconstitutional, the CA DOJ only challenged the Loaded chamber indicator and the magazine disconnect. They did not challenge the microstamping provision.

2<sup>nd</sup> one ruled that the loaded chamber indicator, magazine disconnect, microstamping and the concept that every gun that is added to the list two must come off the list was ruled as unconstitutional.
