MONTHLY MEMBERSHIP NEWSLETTER

UPCOMING WORK PARTY July 1st

Some of the scheduled work includes:

- Replacing a cover on Range 1 (Destroyed by the spring winds), repair of the Range 1 backstop with the tractor and remove some weeds on the sides of the range and parking lot.
- Repair of a Tillage Disk to repair which requires us to take it apart so we can order the correct parts, weld up some target stands (less than 10) and some weeds in Range 6 parking lot.
- Install two septic tank manhole covers above a septic tank at the ranch. This requires a little dirt removal to expose the top of the septic tank (12"), placement of some plastic pipe (24"), then place the rings/lids on top and surround it with concrete. (Approx 4'x6' size of concrete)

After the work party you can enjoy some shooting in the afternoon. The work will be at both the range and ranch. Just email me at president@sbrgc.org so we can ensure we have ample food and dessert. Start time is 7:30 am and we meet at the quonset hut.

This Month's Message from our President

The next General Membership Meeting & Tabletop sales is scheduled for Aug 22, 2023, watch the newsletter for additional information.

South Bay Rod & Gun Club currently has over 3,000 members and it run by Volunteers. (Board Members, Range Safety Officers and Work Party participants). The overall condition of the SBRGC property is in steady decline to a lack of volunteers to help maintain the property. That means that we are unable to keep the club property looking safe for members to use. **Do not be just a USER of the facility, be a MEMBER of the facility and help.**

Right now we have some shortages in Range Safety Officers and Work Party participants. Volunteer some of your time to help the club out.

Range Safety Officers is where you volunteer for one day a month to help run the range. You will get a key to the range and can open any range. After one year as a RSO your membership becomes free as long as you serve as an RSO. Think about it as we can use the help. (Work is not hard, you just half to watch shooters and make sure they are safe is what they are doing)

Work Party participants are needed to help maintain the club property. We only work ½ day a month and the projects change every month, depending on what skills set are required. We start at 7:30am so we can avoid the heat.

COURT NEWS

It looks like Steven Rupp vs Rob Bonta is starting to move. This is the original challenge to CA's Assault Weapons Law. Plaintiffs' responses to defendant's statement of uncontroverted facts and conclusions of law in support of motion for summary judgment. This indicates that the case is headed to a summary judgment which is scheduled withing the next two months. However, the State DOJ has filed a Opposition to Plaintiffs motion for summary judgment. The case is scheduled to proceed on July 28, 2023 Time: 10:30 a.m. Courtroom: 8A Judge: Hon. Josephine L. Staton Trial Date: None set Action Filed: April 24, 2017

Think positive as this may overrule the assault weapons law with the summary judgement.
